Description: : Built c. 1900, this one-story Frame Vernacular style house features a wooden frame structural system. The exterior is covered in vinyl siding and the cross-gabled roof is clad in standing-seam metal. This house features two brick chimneys located in the interior portion of the roof. Fenestration consists of new one-over-one aluminum double-hung sash windows. The hipped porch wraps around the entire southwest corner of the house and displays square wooden supports. The southeast corner of the house features a hipped addition.

Cemetery Information

Bridge Information

National Register Eligibility Information *(Intensive Level Survey)*

Historic Context(s): ..... Domestic

Historic Time Period(s):..... R- World War I to Present (1914 - Present)

Significance Statement: Though this house is currently in good condition, its design is common for the period of construction. This resource has no apparent association with any event or person important in our nation's history, lacks architectural significance, and does not appear to have the ability to yield important information. The resource is recommended as not eligible for the NRHP under Criteria A, B, C, or D.
